

# POWER TALK

## THE SOUTHEAST EUROPE ENERGY CONFERENCE AGENDA

### DAY 1

09:00 – 09:15 Central European Time (CET)

Opening of the event – Welcome Speech

Working groups:

09:15 – 11:15 Central European Time (CET)

Power transformers

- Sustainability & Efficiency: Reducing environmental impact through biodegradable insulation and energy-efficient designs, as well as recycling components and end-of-life management strategies.
- Improving Efficiency & Loss Reduction: and resilience (innovations in core materials, amorphous cores, and advanced winding techniques).
- Contingency plans, testing, diagnostic and monitoring and Extending Lifecycles

11:15 – 12:00 Central European Time (CET)

Substation Digital

Substation Digital free accounts set up for TSO DSO and Power Generation companies participants (by International Organization for substation digital development).

12:30 – 14:00 Central European Time (CET)

BREAK

14:00 – 16:00 Central European Time (CET)

Hybrid renewable energy systems

- Integrating solar, wind, and hydro technologies for a sustainable energy future and protection for such systems.
- Innovations in energy storage, microgrids, and decentralized energy systems.

## THE SOUTHEAST EUROPE ENERGY CONFERENCE

### AGENDA

#### DAY 2

Working groups:

09:15 - 11:00 Central European Time (CET)

Protection and scada

- Advancements in fault detection, protection relays testing, and wide-area protection systems.
- Cybersecurity in substation automation and case stories.

11:00 - 11:30 Central European Time (CET)

Substation Digital

Substation Digital free accounts set up for TSO DSO and Power Generation companies participants (by International Organization for substation digital development)

11:30 - 12:15 Central European Time (CET)

BREAK

12:15 - 14:15 Central European Time (CET)

Rotating machines

- Breakthroughs in electric motor and generator testing and diagnostic and case stories
- Condition monitoring, predictive maintenance, and rotor dynamics optimization , lifetime extensions and contingency plans

14:15 - 14:30 Central European Time (CET)

CLOSING OF THE EVENT
